

IF:GATHERING

# A Decade of Discipling a Generation

IF:GATHERING'S TEN YEAR IMPACT REPORT

*Thanking God for all He's done in the last ten years,  
and preparing to keep building His kingdom in the next.*

# From our Founder & Visionary

---

Friend,

As we reflect back over these last ten years of ministry, it's hard to wrap our brains around all that God has done. But that's the kind of God we serve. He's done more than we could have asked or imagined since giving me a clear vision all those years ago: Disciple A Generation. I didn't know what that would look like, but I knew that if this was from God, he would accomplish it. And that's exactly what He did. God put the exact right team together—including thousands of IF:Local leaders around the world and families who have invested financially in this mission—to help us gather, equip, and unleash women to go make disciples. It's been my favorite giant group project to date.

We've seen a movement of women step up. We've watched them discover their gifts and start new ministries at their church. We've seen them make countless invitations to coffee dates and small groups and dinners, because they want to cut through small talk and make sure everyone knows who Jesus is. We've seen denominations come together, the Gospel preached in the underground Church, people given a Bible in their own language for the very first time.

In this report, we're going to share some of these numbers and stories of life change, and I want you to know you are a key part of this mission. We're celebrating these ten years of ministry, and we're celebrating YOU. You helped us reach farther and wider and make sure Jesus' name was known around the world. And we're not finished yet. In fact, we're on the brink of the most important work we'll ever do together. And it's going to take all of us.

Grateful,

Jennie Allen

PLAYED A ROLE IN THESE LIFE-CHANGING STORIES

I attended two IF:Leads and was so drawn to the heart of IF:Gathering equipping the local Church to make disciples. I asked to host IF:Local at my church in Durant, OK and we got to host IF:Texoma for three years. Sixty to eighty women from my church got involved serving and using their gifts—some for the very first time. We hosted 150 plus women from our area. Then, we started a monthly women's gathering. Many of the women that served at the weekend conference then began serving, leading small groups, and discipling other women. This was the beginning of a women's ministry at our church. I'm no longer at this church, but that ministry is still continuing and growing today.

MELISSA HAMMEL | DURANT, OK

IF:Gathering changed me when I first attended 9 years ago. I was a new believer and while there felt God's call to step into ministry....I believe the trajectory of my life completely changed because of that experience in Austin. Ever since, I've been inviting women to join me in Texas and have watched lives continue to change. Last year we hosted an IF Local at our church for the first time and the women were blown away! God moved so powerfully through the weekend and we cannot wait to host it again in 2024!

JULIE ANDREWS | SAN CLEMENTE, CA

Thank you IF:Gathering team for allowing God to use you to push introverted and socially awkward women, month after month, into the much-needed community that God created for us to live and thrive in! We know that things will get messy and may not always be this way, but we are excited for the journey God is about to take us on together and as individuals.

PLAYED A ROLE IN THESE **LIFE-CHANGING STORIES**  
(CONTINUED)

Hosting an IF:College (IF:Local) was amazing and probably one of the highlights of the semester! We had it at my off-campus house. We rented a projector from the Baylor Library and set it up in our living room, and moved all of our couches around so there would be lots of space for everyone coming! We baked cookies, and set out snacks, and just made it feel homey. There were about fifteen of us that watched over the weekend which was incredible. My favorite thing about it was just getting to gather as a community and share deeper conversation about our lives and what the Lord has been doing in them. I enjoyed all of the talks and consider myself blessed to get to hear from such amazing speakers and women of God. But overall, I just want to thank the IF team for everything, because it truly was a life-giving and life-changing weekend!

**COURTNEY MILLER | WACO, TX (BAYLOR UNIVERSITY)**

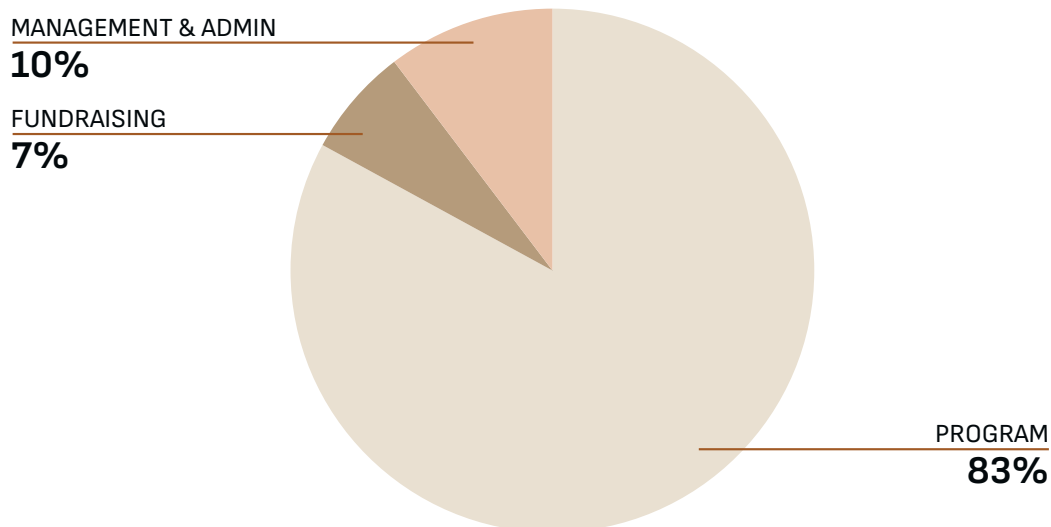

I just got back from a conference for our association of churches and I can't tell you how much IF has impacted my home church ministry. And how many people I get to tell that. There isn't a doubt in my mind that IF has been a huge part of women edifying the church at large in incredible ways that they otherwise wouldn't have because of the encouragement of IF.

**GOD'S GIVEN US A NEW VISION...**

What if we knew Jesus was coming back in ten years? Wouldn't we want to have done everything in our power to reach every person on earth?

Reaching the world is going to take all of us. And we have a plan to do it.
